

Suggested Sizes for Artwork and Collectibles

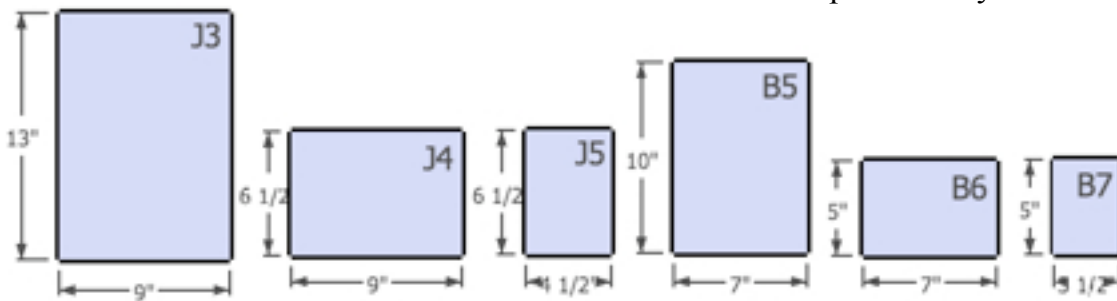

RabbitHoles Media offers two simple off-the-shelf lighting solutions for illuminating their RabbitHoles 3D Motion Holograms collectibles or artwork.

The DJ Wally light is capable of lighting any RabbitHole that is a B3 Portrait, or smaller.

The Joshua Picture light is capable of lighting any RabbitHole that is a J3 Portrait, or smaller.

Both lights are simple to install and are available in black or chrome finishes to compliment any interior.
